Parent Volunteers

Parents do you want to help out at zoo camp this summer? If you are interested please enter your availability and our volunteer coordinator will contact you.

Lunch Prep: 10 – 12 Dates Available _____

Camp Prep: 2 - 4 Dates Available _____

DISCOVERY CAMP

Campers ages 3 - 5

Down on the Farm (Weeks 1, 4, 7)

Duckies, piggies, and sheep oh my!!! Campers will experience the joys of living on a farm with fun games, interactive story time and working with our barnyard buddies. Meanwhile they will discover different animal homes, body parts and explore the senses.

NEW! Zoo Stars (Weeks 2, 5, 8)

Be the star of a wild animal show. Join us on an exciting adventure of imagination, creation and play as we celebrate animals and their many differences. Your child will have tons of fun starring in their own show, creating animal puppets and much more.

Your California Backyard (Weeks 3, 6, 9)

Take a trip on the wild side – in your own backyard! Plenty of interesting animals share our streets, streams, and parks, though they are often overlooked. This week is a fun-filled introduction to your wild neighbors.

SUMMER SAFARI

Campers ages 6-8

Animal Zooper Heroes (Weeks 1, 4, 7)

Spiderman, Catwoman, and The Porcupine? Investigate the world of super heroes, and villains, that have an animal flair. Discover what special abilities are animal facts and what is just comic book lore! Campers will choose their own animal super power as they struggle for survival in the real world of Animal Zooper Heroes.

California Frontier (Weeks 2, 5, 8)

Into the Wild West we go!!! Whether it's out on the plains or home on the range, if your child seeks adventure they'll be in the right place. We will be motoring west in search of the wild animals from California. Throughout our fun filled adventure we will uncover camouflage masters, discover different types of eaters and much more.

NEW! Animal transformers (Weeks 3, 6, 9)

Discover the world of Animal Transformers at summer camp. Unveil the mysteries of metamorphosis. Venture beyond what you already know about frogs and butterflies as we explore many shape shifting animals.

Grouping Requests

Grouping Policies: To create an age appropriate atmosphere older campers are allowed to join younger groups, however younger campers are not permitted to join the older groups. We greatly appreciate your understanding and cooperation.

If possible, group these campers together:

Emergency Information

Please list person to be called if parent or guardian cannot be reached.

Name	
Relationship	Daytime Phone

Allergy & Medical Alerts

Are there any allergies or limitations that the child's counselor should be aware of? YES NO If yes, please list them:

If the child requires any medications, you must complete and return a Medication Form before the first day of camp. All medications must have a completed medical form on file. Please call (805) 679-8500 to obtain one.

ZOO CADETS

Campers ages 9-10

The Golden State Adventure (Weeks 1, 4, 7)

There is gold in these mountains, and we're going to find it. This week your child will discover what it took to travel west in search for gold including crossing different habitats, enduring the weather and encountering wild animals!

Ick...That's Gross! (Weeks 2, 5, 8)

Challenge your senses as we investigate the slimy, stinky and delightfully disgusting side of zoo science. Campers will create their own snot, become certified dung detectives and discover "What is that Smell," as they gain a better appreciation and understanding of all things gross.

NEW! Z.S.I.: Santa Barbara (Weeks 3, 6, 9)

Zoo Science Investigators - Have you ever wondered how birds migrate from one end of the world to the other without getting lost? Or how condors can eat rotten meat without getting sick? Or how geckos can stick onto just about any surface? This week your child will explore the world of animal science and conduct their own explosive experiments just like a real scientist.

WILDLIFE ACADEMY

Campers ages 11-12

Expedition Eureka (Weeks 1, 4, 7)

"Eureka! We've found it!" Did you know we can learn about the animals around us by searching for what they left behind? Throughout the week, we will spend a day with the Chumash, learn about the powers of observation and conservation, and explore the wonders of Native California.

Jr. Zoo Crew (Weeks 2, 5, 8)

Experience what it's like to be a Zookeeper by going behind the scenes to work with the Keepers! Each day we explore a different aspect of being a zookeeper including cleaning exhibits, designing enrichment for the animals, learning about veterinary medicine, training and much more. *This camp includes an overnight and early morning experience at the Zoo.*

NEW! Photo Safari (Weeks 3, 6, 9)

Pack your canteen, compass and of course your camera. Its time to go on a wild photo safari. During this week your child will develop some of the basic skills needed for animal photography. Campers will venture into the night on our overnight experience where they will enjoy your own private animal photo shoot. *This camp includes an overnight and early morning experience at the Zoo.*
